## **Western League Groundhop** **6 - 8 October 2017**

Hello everyone

Here's the details of our Autumn trip to the West Country and a fabulous weekend of football in what is my favourite Step 5 League of them all!

The line-up looks great for 2017, although as we always say, it's always subject to change! The event kicks off on Friday, 6 October as **Ashton & Backwell United** host Bishop Sutton at 7.45pm in Division One. Saturday morning starts bright and early with the first of our four games at Welton Rovers v Keynsham Town (10.45am) in Division One, followed by a short trip to **Radstock Town** v Oldland Abbotonians (1.30pm) also in Division One. Then it's two Premier Division games, first up we head for Bath and **Odd Down** v Bitton (4.30pm) before we end the day at **Hengrove Athletic** v Hallen (7.45pm).

On Sunday, we have two more games, starting in the Premier Division as **Shepton Mallet** host Brislington (11am) before we round off the weekend with recent Western League additions **Bishops Lydeard** as they host Cheddar in Division One (2.15pm)

### **Transport**

As usual, we will supply transport to ferry people around the games – why not leave your car for the day and join us? It will be based at our accommodation in Weston Super Mare, but like last year, we are looking at the possibility of again running a mini coach from Didcot or Oxford Parkway. This proved very popular last year, and of course was a very cost-effective way of doing the trip! Bookings will not be accepted for transport without a Hop ticket.

### **Accommodation**

We are back this year at Weston Super Mare! The prices are very reasonable and it's a very pleasant area to be based in, so we hope that you'll like it! Two years ago they made us very welcome so we are staying in the same hotel again this year. For those coming by train, we will pick up on Friday from Weston and/or Backwell station if required. For those driving to the event, there is local car parking in and near the hotel, but parking at the hotel is very limited. Having said that, I had no problems last time!

### **Programmes and badges**

As usual, all clubs will be made aware of the number of programmes that will be needed on the day. The number will be based on the bookings we receive, so reserve your copies by booking tickets, it's the only sure-fire way to guarantee a programme! Don't take a chance, those crowds are getting bigger and sell-outs more common. Packs will be made up in advance for the weekend, and remember that programmes are **included** in the price of the ticket. Badges can also be ordered in advance, a set of seven badges can be collected with your advance programme pack. We do like to make your lives as simple as possible!

## **Trading**

We hope to see several traders at the hop. Terry Hall of "Terry's Badges" should be there all weekend, so make sure you bring your "wants" list! Hopefully, all the unofficial trading that is part and parcel of a hop will be in evidence and is not only welcome, but encouraged! Just remember that if you want to trade, you **MUST** have a full ticket.

## **Match Tickets**

Tickets are available in advance for the day, and these of course guarantee you a programme at each game. Admission is available on the day at the full matchday price for those who do not wish to buy tickets in advance. In addition, a "split ticket" is available, enabling you to buy only certain matches; these too include the match programme.
